Purpose

To ensure school staff understand their supervision and yard duty responsibilities.

Scope

This policy applies to all teaching and non-teaching staff at Weeden Heights Primary School, including education support staff, casual relief teachers and visiting teachers.

Policy

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

Weeden Heights Primary School's grounds are supervised by school staff from 8.45 am until 3.45pm. Outside of these hours, school staff will not be available to supervise students.

Students enrolled in before and after school care are supervised by before and after school care staff in OSCH spaces until a yard duty teacher is rostered on in the yard.

Parents and carers will be advised through reminders in our newsletter that they should not allow their children to attend Weeden Heights Primary School outside of these hours. Families will be encouraged to contact the OSHC Program (After the Bell) Co-ordinator on 97586744 for more information about the Out of School Hours Care program (OSHC) before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- Advise of the supervision arrangements before school
- Request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- Attempt to contact the parents/carers
- Attempt to contact the emergency contacts
- Place the student in an out of school hours care program (if enrolled)
- Contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

Yard duty

All staff at Weeden Heights Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

The Principal is responsible for preparing and communicating the yard duty roster on a regular basis. At Weeden Heights Primary School, school staff will be designated a specific yard duty area to supervise.

Yard duty zones

The designated yard duty areas for our school are:

Area	Zone
Area A	Front of the school including Stephanie Alexander Garden and lower basketball court
Area B	Back of the school including top basketball court, oval, area between main building and hall

Yard duty equipment

School staff must:

- Wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests are provided for each staff member individually and spares will be stored in First Aid room
- Carry the yard duty first aid bag at all times during supervision. The yard duty first aid bag will be stored in the First Aid room

Yard duty bags must be returned after the period of supervision or handed to the relieving staff member at the changeover meeting points.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- Methodically move around the designated zone ensuring active supervision of all students. Staff are required to continually move to ensure that all sections of their duty area is covered
- Where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in (excluding drop off and collection periods)
- Be alert and vigilant

- Intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- Enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Wellbeing and Engagement policy
- Ensure that students who require first aid assistance receive it as soon as practicable
- Log any incidents or near misses as appropriate on Edusafe and/or with leadership

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into two consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Principal but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should remain on duty and send a message to the office or Principal and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the main office for assistance and office staff will locate the Principal/Sub School Leader or an available teacher. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education [Excursions Policy](#).

Digital devices and virtual classroom

Weeden Heights Primary School follows the [Department's Digital Technologies - Responsible Use policy](#) with respect to supervision of students using digital devices.

Weeden Heights Primary School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised within their own classrooms in the quiet space/middle rooms.

While parents are responsible for the appropriate supervision of students accessing virtual classrooms from home:

- Student attendance will be monitored daily by their class teacher
- Any wellbeing or safety concerns for the student will be managed in accordance with our usual processes as outlined in the Student Wellbeing and Engagement Policy and our Child Safety Responding and Reporting Policy and Procedures.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

Supervision of student in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.

Other areas requiring supervision

Students also require supervision when moving from their classroom to other areas in the school which include travelling to the specialist programs. A staff member is to accompany students at all times. After recess or lunch breaks, classroom teachers will wait with their class until the specialist teacher arrives to collect the class or through arrangement, the specialist teacher collects the class on the bell from the student's classroom.

When students are released from classes to use the bathroom, which are located internally in the buildings, students expected to go in pairs during class time.

Communication

This policy will be communicated to our school community in the following ways:

- Included in staff induction processes
- Discussed at staff briefings or meetings, as required
- Included in our staff handbook
- Included as a reference in our school newsletter
- Made available in hard copy from school administration upon request

Information for parents and students on supervision before and after school is available on our school website and parent reminders are sent at the beginning of each term in our school newsletter.
